

Members Get Benefits

When you join the Association for Career and Technical Education you gain access to insurance benefits and discounts offered through the Trust for Insuring Educators (TIE).

No-Cost Life Insurance†

New members age 18-59 can receive \$60,000 of group term life insurance at no cost for two years. Acceptance is guaranteed — no health questions asked or exams required. You can automatically continue this coverage by paying the premium when due for year 3.

Special Auto Discount

Save even more on car, motorcycle or boat insurance from GEICO when you buy through ACTE. Members may qualify for a special association discount as well as other discounts in most states.

Unbeatable Rates

TIE was a pioneer in developing affordable professional liability insurance for educators back in the 1980s. Today, our \$1 million plan for school employees provides more benefits and at lower cost (\$94 per year) than other plans on the market.

And a Whole Lot More

There are more than a dozen life, health, auto & home and professional liability insurance plans and protection services available through your association.
